# Housing Group Press

## Auction—Saturday, April 23, 2005

At the annual auction this year, we are celebrating SAHG's 15-year anniversary. Invitations are out, the menu is established, RSVP's are coming in, decoration designs are being finalized, items are amassing, and the catalog is being printed. If you would like to attend, donate an item, or volunteer behind the scenes, give Jason a call at 425.746.1699.

This year's theme is *Building a Heritage for Generations*.

We derive from this one theme that:

- Our properties will last for generations.
- Our mission will continue for generations.
- Our housing serves multiple generations (children to seniors).

We are working very hard to create another enjoyable and successful fund raising event to support SAHG's mission. For more auction information check out the updated pages on our website [www.sahg.org](http://www.sahg.org).

## A New Look and New Features Online

To create an updated web presence, SAHG worked with a web developer from NPower, a technology assistance nonprofit dedicated to "help other nonprofits use technology to better serve their communities."

Some exciting things to note:

1. You can now **donate** online.
2. You can watch our promotional **video** online.
3. There are clear instructions on how to **access** our housing resources.
4. Our current and past **newsletters** are archived online.
5. Our **orientation catalog** and **annual report** are online.
6. Ways to **volunteer** and volunteer forms are online.
7. There are pages for the current and past **annual auctions**.

And much, much more. Go to **[www.sahg.org](http://www.sahg.org)** and explore!
