

What is St. Andrew's Housing Group all about?

We are about Home and Hope

Home: There's no place like it. But what if you don't have a home? What if you have been hit hard in this economic crisis and your home has been taken away? What if you are living with a physical or mental health disability and are not able to afford a home? What if you are a victim of domestic violence and have been living in shelters, looking for a long-term solution?

St. Andrew's Housing Group (SAHG) realizes that too many folks right here in East King County are living on the streets, in shelters or on family members' couches, without a solution that meets their need for housing. That's why SAHG's primary mission is to continually be developing new affordable housing communities on the Eastside to make sure that none of our neighbors are without a home. Currently, over 900 low-income and homeless individuals across 10 properties have a quality, affordable home with St. Andrew's Housing Group.

Hope: Dreams really can come true. Many families and individuals who move into St. Andrew's Housing Group's properties are thankful for the opportunity for affordable housing, but have lost hope that they will ever achieve true stability and self-sufficiency. That's why SAHG has developed a Resident Services Program, designed to provide on-site supportive services to residents. This Program helps children through after-school tutoring and reading assistance and provides adults with job search assistance, parenting support, financial planning tools, and life-skills courses. Through this program, children and adults gain the skills and confidence necessary to build self-sufficiency. As a result, hope is restored for a future in which dreams can become a reality.

St. Andrew's Housing Group exists both to create homes and restore hope as we work towards a day when affordable housing is available for all who need it in East King County.
